

Hankuk University of Foreign Studies

2022 Summer Session

GEO 101: Global Geography

Course Outline

Course Code: GEO 101

Instructor: Muhammad T. Rahman, Ph.D.

Home Institution: The University of Texas at Austin

Office Hours: Weekly TBA ZOOM and by Appointment

Email: mtr.utx@gmail.com

Credit: 4

Class Hours:

This course will have 52 class hours, including 32 lecture hours, professor 8 office hours, 8-hour TA discussion sessions, 4-hour review sessions.

Course Description: This course will introduce you to the various geographic realms and regions of the world. We will examine various parts and regions of the world in terms of their physical, economic, demographic, and socio-cultural features. The goal of this course is to enable you to be familiar with the different regions of the world and understand their physical and cultural diversity.

Required Textbooks: Rowntree, Lewis, Price, & Wyckoff (2017): Diversity amid Globalization, World Regions Environment, Development, 7th Edition (Pearson, Prentice Hall).

Grading & Evaluation:

Students will be evaluated on the course based on the following two components:

1) **Three exams (counting 20% each for 60%)**: Exams are meant to assess your comprehension of different topics presented through the reading and lecture materials. The exams will be composed of multiple choice, true/false, and short questions.

2) **Essays (40%)**: Two reaction essays (3-4 pages in length) will need to be written over the entire course program Topics will be given and discussed during the program.

Grading System (1 ~ 100)

The final score will be scaled and the scaled score will be used to assign a Course grade.

- | | |
|---------------|-------------|
| A+ : 95 - 100 | A : 94 - 90 |
| B+ : 89 - 85 | B : 84 - 80 |
| C+ : 79 - 75 | C : 74 - 70 |
| D+ : 69 - 65 | D : 64 - 60 |
| F : Fail | |
