## **2024 Summer Session**

## FIN 101 Introduction to Finance

**Course Outline** 

**Course Code: FIN 101** 

Instructor: Kang Cheng, Ph.D., CPA, CVA

Home Institution: Morgan State University, Baltimore, Maryland

**Office Hours: By appointment** 

Email: kang.cheng@morgan.edu

Credit: 4

**Class Hours:** 

This course will have 52 class hours, including 32 lecture hours, professor 8 office hours, 8-hour TA discussion sessions, 4-hour review sessions.

## **Course Description:**

This course covers the principles and practices used in the financing of business organizations. Topics include financial planning, funds acquisition, financial analysis, current asset management, capital budgeting, cost of capital, and ethical issues related to financial management. The course emphasizes key financial management concepts with emphasis on ratio analysis, cash flow estimation, stocks and bonds valuation, capital budgeting, and return risks. A strong understanding of algebra is very important.
